SEO STRATEGY & KEYWORD RESEARCH

Project 2: GlowNest Skincare | Prepared by
Aiman Malik

www.decode labs.com

WHAT IS SEO?

Definition

SEO (Search Engine Optimization) improves website visibility on Google, helping businesses reach their target audience organically and drive sustainable growth.

KEYWORD RESEARCH

FINDINGS

1

Best Face Wash
Commercial Intent
→ Product Page

2

Skincare Routine
Informational Intent
→ Blog

3

Buy Vitamin C Serum
Transactional Intent
→ Landing Page

4

GlowNest
Navigational Intent
→ Homepage

CONCLUSION

Key Takeaways

A strong SEO strategy helps increase organic traffic, rankings, and sales. Strategic keyword targeting drives measurable business results for GlowNest Skincare — turning search intent into conversions and long-term brand visibility.
